## \*\*\*Special SUMMER Weekly Newsletter

### From the Principal's Desk

“The Son of Man did not come to be served but to serve and to give his life as a ransom for many.” Mt 20:28 *How often do I remember being served as a child? Part of growing up is to be able to serve oneself at the dinner table. Then someday, when we become parents, we serve our children. We serve because we love and take care of our babies, but Jesus loves and takes care of us all, big and small. He serves us more than just dinner or food, rather He gives us the path to everlasting life and happiness through literally giving up His life for us.*

## **Re-Opening Schools Mini Update of the Week**

So what can you expect in the Fall 2020 semester?

In many ways, we will create the experience together — perhaps in some ways we still can't envision. But we do know a few things. Classes will be smaller and more spread out. Our staff and volunteers will be cleaning, cleaning, cleaning. We'll all be using technology a whole lot to prepare for any interruptions.

There are a few things we all will need to do together:

- § Wash your hands.
- § We all have to take facial coverings and physical distancing seriously.
- § We all have to stay home at the first sign of any symptoms — and don't worry, absences will be excused and expected. We will be flexible.
- § We'll need to be open to new ways to engage and connect.
- § We'll need to treat each other with respect and kindness. This is hard on everyone — and we will all have our moments. But we must lift each other up, not put each other down. We are Holy Family School. We are a community.

Holy Family of Jesus, Mary and Joseph, Pray for us.

## **From the HFS Advancement Team:**

Help HFS Spread the Word by sharing our Facebook posts! <https://www.facebook.com/HolyFamilySchoolLacey/> Look for a new post every Monday and Thursday morning this summer. Share these to your page and don't forget to tag **#hfslacey**

Last week we had 9 families tour our school interested in placing their children with us for next year. Most of them heard about us because they saw a sign in someone's yard, they saw children playing in the park wearing our spirit t-shirts, or a family that currently attends told them about us. Many of them have been prayerfully considering Catholic education and only recently realized that there really is a big difference in their child's life.

Thanks for helping spread the word about our wonderful school!

## **Rosary with the Principal**

Your family is invited to pray the rosary with Principal Alton every Friday in July at 1 p.m. This upcoming Friday we will be in the Grotto and online virtually via Zoom.

Meeting ID: 914 5528 2291 Password: 2Bvu33

Our intentions this Friday are our families - that "Following the example of Our Lord," say Archbishops Wenski and Coakley, "we respond to confusion with understanding and to hatred with love."
