## **From the Principal's Desk**

“When you are afflicted with sickness, persecution, temptation, or any other trouble, turn at once to God and ask His help. It is enough for you to lay your affliction before Him. . . . He will not fail to comfort you or to give you strength to suffer the trial with patience.”

—St. Alphonsus, August 1st feast day

## **Re-Opening Schools Mini Update of the Week**

July 30, 2020

Greetings and Peace of the Holy Family,

Many of you may have heard about the attached letter in which the Thurston County Health Officer, Dr. Dimyana Abdelmalek, has recommended that all schools in Thurston County begin the school year this fall with remote learning.

We will be reaching out to the Thurston County Health Department to clarify what the guidance means for us. We are truly dedicated to the best interest of our students, staff and families. We will take the guidance under careful consideration, and I will have a definitive response to what it means to our school next week.

Pray with me for the gifts of the Holy Spirit to strengthen and guide us during these critical times for us all.

Blessings,  
Christina Alton  
Principal
