Learning for Today, Preparing for Tomorrow.

From the Principal's Desk

Today we celebrate the Feast of St. Teresa of Avila, Doctor of the church. She writes,

Let nothing disturb you,
Let nothing frighten you,
All things are passing away:
God never changes.
Patience obtains all things
Whoever has God lacks nothing;
God alone suffices.

—Excerpted from The Church's Year of Grace, Pius Parsch.

Healthy School Updates **NEW REQUIREMENT**

In order to better protect our community, we will require written communication from a healthcare provider for any student or staff to come back to school after being absent for more than two days. You also have the option of quarantining for 10 days and join our classes via the Distance Learning modality.

As flu season sets upon us, it is very important for you to keep in communication with your healthcare provider. If your child has any symptom of COVID (which is very similar to the flu), then according to the updated Thurston County Public Health COVID-19 pathway you should seek the advice of a healthcare provider. See <https://tinyurl.com/ThurstonCountyUpdateCOVID>

Together we can fight the spread of all germs especially COVID-19!!

Notes from the Office

If your child has a medical or dental appointment during the day please call or email Mrs. Baker at office@holyfamilylacey.com before 9 a.m. that same morning. If you are unable to let us know before that we may not be able to have your child ready for their appointment.

If you can cc your child's teacher(s) as well we would appreciate that.
