Learning for Today, Preparing for Tomorrow.

From the Principal's Desk

This weekend we listen to the readings at Mass about how we can live a good life. We hear from Psalm 23 that "The Lord is my shepherd, I shall not want," and then we hear in our second reading from Paul to Philippians that, "I can do all things in him who strengthens me."

How can we better follow Jesus as Mary did?

Healthy School Updates

The Thurston County Department of Health Department continues to recommend that we keep kids home when they have any symptoms to better prevent possible spread of the virus. Please call or email the office and let your teacher know. If your child has symptoms but is healthy enough to do classwork you can ask for a Distance Learning assignment.

Dr. Abdelmalek, our county health officer, has said that many of the recent cases are associated with household spread and spread between family and friends. For us, that means that we must continue to wear masks, keep our minimum 6 feet distance "bubble", wash our hands frequently, and keep our cohorts.

Together we can fight the spread of all germs especially COVID-19!!

Notes from the Office

If your child has a medical or dental appointment during the day please call or email Mrs. Baker at office@holyfamilylacey.com before 9 a.m. that same morning. If you are unable to let us know before that we may not be able to have your child ready for their appointment.

If you can cc your child's teacher(s) as well we would appreciate that.
