

HOLY FAMILY HERALD

A Publication of Holy Family School, Lacey - June 3, 2021

Visit us on the web at: www.holyfamilylacey.org

Learning for Today, Preparing for Tomorrow.

From the Principal's Desk

Within our Catholic tradition, saints like St. Charles Lwanga and his companions from Uganda, remind us that we are all teachers and witnesses to Christian living by the examples of our own lives. We are all called upon to spread the word of God, whether by word or deed. By remaining courageous and unshakable in our faith during times of great moral and physical temptation, we live as Christ lived whether in the 1880s or in the 2020s.

Saint for the Day, June 3 - St. Charles Lwanga

This weekend's fun Children's Mass Activities:

<https://tinyurl.com/kidscorpuschristi>

HFS 2021 EGG DROP CONTEST GUIDELINES

It's a bird, it's a plane...no, it's a helicopter full of eggs!!!

* This is an **optional** contest for 3rd-8th grade

DATE

The egg drop contest will be held **Friday, June 4th at 2:00pm. WEATHER DEPENDENT!**

All containers must be delivered to Mrs. Newkirk no later than Friday morning (preferably Thursday.)

GENERAL INFO

The contestants shall design and construct a container that will prevent an uncooked chicken egg (Grade A Large) from breaking when dropped from a helicopter approximately 400 feet! The container must be no more than 4"x5"x8" (ex. Tissue box).

Design the container with light-weight materials. Contestant's egg must **not** be broken during the fall.

WINNERS

The contestant(s) with the lightest container, whose egg does not break, **WINS!**

1st place = Barnes & Noble gift card & 2 free dress days

2nd place = Barnes & Noble gift Card & 1 free dress day

3rd place = 1 free dress day

MATERIALS

Any material found at home may be used, as long as the container meets the design and contest rules as outlined below:

1. No kits or pre-made designs. The structure must be the individual's design and construction.
2. The container must be completely released (no strings or other attachments).
3. **NO PARACHUTES!**
4. No propulsion systems will be allowed.
5. No gases (ex. helium) lighter than air.
6. No glass or shattering material.
7. No liquids.
8. Construct an opening for the egg to be placed inside. You can recover after egg placement.
9. **Do not place the egg inside your container. Mrs. Newkirk will pre-weigh each design and then the egg (provided by the teacher) will be placed and secured inside**
