Frequently asked questions

What are the summer camp themes?

- Gardening and how plants grow, The human body/movement, Animal week, Movies/Theatre/Drama Across the world, Water systems, Technology, and Emergency Services (themes are subject to change)

How many days a week is summer camp?

- Summer camp is 5 days a week, from 8am – 5pm Monday through Friday.

How old must my child/children be to enroll in summer camp?

- Your child must be turning 5 on or before June 28th, 2021, and for kids age 12, they must not be turning 13 until on or after August 20th, 2021. This is because we are now school-age licensed, which means we must abide by Washington State DCYF rules and regulations.

Will there be academics involved?

- Yes, academic learning will definitely be a part of our summer camp themes, as they deal with some STEAM-related topics as well as social-emotional learning. If your child needs academic help following the school year, that will be available as well. Please let us know in the registration form if you would like your child to continue traditional academic learning as part of their summer camp day.

Can I sign up week-by-week?

- Yes, a week-by-week option will be available.

What will the cost be, depending on the options we have?

- If you choose week-by-week, it will be \$250 a week. If you choose all 8 weeks, it will be \$220 a week.

Who can I contact if I have any more questions about summer camp?

- Contact Erika Sanchez at esanchez@holylfamilylacey.com
