Learning for Today, Preparing for Tomorrow.

From the Principal's Desk

This Sunday we celebrate the Assumption of Mary. God gave Mary the gift of being taken into heaven body and soul. This can remind us that God always takes care of all of us. To thank God for this care we can look for ways to care for others. This school year students will learn to care for their classmates through learning of God's love. Teachers will reflect God's love and care for all of their students. This is what I love about Holy Family School and I am excited to get a chance to show God's love through my caring of the community. We pray,
Loving God, thank you for caring for me!
