## From the Principal's Desk

### **A message to Parents and Students from the HFS Board:**

Dear Holy Family School Parents and Students,

Your school board is currently in the process of updating the school mailing list and would appreciate your help in gathering new contacts for purposes of communicating HFS events and fund raising. If every family currently attending HFS could provide two or three new contacts (name, address and e-mail), that could significantly enhance our fund-raising efforts and increase participation in HFS events. Please prayerfully consider friends and family members who you believe would be interested in supporting our school and submit their contact information to Virginia Baker or to your teacher. Thank You!
