The Principal's Corner

Hello families!

Wow! We are into the 2nd half of the school year. I am very optimistic that the health challenges that have been so present in the last month are going away and we will have an amazing 2nd half of the year! I am amazed at how much the kids have grown physically and academically as I pop in and out of classrooms. As the weather improves I look forward to a lot more chances for reading buddies on the lawn, bird watching activities and trips to the Grotto for stations of the cross. Thank you for partnering with us and choosing Holy Family School for your child's education!

Commitment Hour Corner

Hello families!

Are you struggling with ideas to fill volunteer hours? Are you good with computers and have some knowledge of cafe press websites? We are in need of a person to post our newsletters weekly to the website and occasionally add pictures from special events around the school. If you have these skills and are looking for volunteer hours contact the office!

All TK-8th grade families are required to fulfill **30 commitment hours** at school per year. (Preschool families 20 hours/year)

In-person volunteers are required to show the office proof of COVID vaccination. If you are not vaccinated, we have many opportunities to fulfill your hours from home! (attend the PA and Auction meetings for ideas!)

* All in-person volunteers must take the free one hour [online course](#) by **Virtus**.

Please submit your hours monthly by sending an email to the office at office@holyfamilylacey.com

Faith in Action.....

February is a month where we hear a lot about Valentines day & LOVE. During our Rosary Zoom Prayer service this week, I explained to the students that God gave us two main Commandments centered around “Love”:

You shall love the Lord your God with all your heart, with all your soul, with all your strength, with all your mind.

And you shall love your neighbor as yourself. (Luke 10:27)

I challenge families to practice these commandments of love every day with their children. Love God by praying as a family. Also, pray with your child every night before they go to bed.

Teach your children to love themselves by practicing good hygiene habits, giving them healthy meals. & encouraging them to exercise by playing outside.

And then extend that love to others by teaching them to share, helping out their neighbors, and giving to those in need (like our successful canned food drive).

God Showed His love for us by giving His only son who died for us. Remind your children that Jesus loves all of us. Use this month to show how kind & caring you can be to others.

Jesus, help us to love and respect everyone. Amen

Have a Blessed and Happy Valentine's Day filled with love!
