## The Principal's Corner

Hello Holy Family community! I am greatly appreciative of all of you that have already jumped into SchoolAdmin and started the re enrollment process! This is a new system for us and it has been challenging to figure out. I have spent some time this week and do have some zoom appointments with them next week to try and figure out a few glitches but overall if families that are returning next year could try and log into the system and get some of the questionnaire sheets done that would be very helpful to us. If you are not planning on returning next year and have not notified the office please do email or call Mrs. Baker so we can update class numbers. We already have potential wait lists for new students in a couple of grade levels and we want that information to be as accurate as possible. If you are struggling with SchoolAdmin here are a few encouraging tips:

1. You do not have to upload any documents if that makes you uncomfortable. You will be hearing from the office soon if we don't have required documents such as immunizations or birth certificates. You are welcome to drop copies of those to the office and we can mark that complete on your checklist on SchoolAdmin on our end. We will be working on checking those off soon. .
2. One error that is showing up is SchoolAdmin's \$35 fee. This is a fee they charge that our school had decided to pay out of the \$500 registration fee. It should not have shown up as separate and we are trying to remedy that. If you paid it we will take away one commitment hour for this year if you have some left or next year if you don't. If you have a concern about this email me ([sthompson@holyfamilylacey.com](mailto:sthompson@holyfamilylacey.com)).
3. The registration downpayment seems like it is calculating wrong. I am working on this. In all cases we will make sure no one overpays the registration. Please keep in mind you are welcome to pay registration in the office with Mrs. Baker or if it is convenient to pay through school admin the total charge for one student should not exceed \$500 and for a family of 2 or more \$950.

Again thanks for your patience with this system and we are looking forward to a wonderful community to continue with us into next school year!

Sincerely,  
Ms. Thompson

### Parent Association Corner

A big thank you to all the parents that ordered chocolate covered pretzels for our St. Patrick's Day fundraiser. We sold 350 pretzel rods and raised around \$270 for the kids attending Camp Seymour!

Clean out your closets for HFS! The PA is sponsoring a no cost fundraiser with Value Village to both clean out our closets and raise funds for our school! Perfect time to do some spring cleaning! Any gently used clothing will be accepted. Please plan to drop off all donations at the school on Saturday, April 23rd from 9am-12pm. All donations must be clothing or soft goods such as belts, purses, backpacks, etc. Please email the PA with the amount of bags and if they are white kitchen garbage bags or black large garbage bags. We are required to update Value Village with our bag count biweekly. Thank you so much!

### Holy Family School Auction 2022!

The Silent Auction will be held virtually from April 25-April 29 and The Live School Auction is April 30, 2022! See the attached flier for more information!

### **Auction Ticket Update!**

The Live Auction tickets had a price drop and are only available for purchase until 3/31 so we can get the correct number for catering. With supply chain issues, please don't wait to get your tickets in. Check out the new information on the flier attached. Bring your friends and family for a great evening out! **\*No live band but there will be a great DJ!**

### Spring Pictures!

The **Spring picture date** has changed to **Thursday, March 31st**. We will be using a local company, Clintworth Photography. They have done pictures here at the school "way back in the day!" so it will be nice to have them here again!
